Thanks for spending your hard-earned money on a Surly frameset. Seriously, we really appreciate it. You could’ve picked something else but you didn’t, and that means a lot to us. We’ve put a lot of work into making a great riding bike that you’ll enjoy for a long time. Before you read any further take a minute and write down this frame’s serial number. If you should ever experience a problem with it, the serial number will help us get things sorted, and if your bike is ever stolen the serial number is undeniable proof that it’s yours. So take a minute, flip the bike over, and write it down. Your frame’s individual serial number is located on the underside of the bottom bracket (the part of the frame that houses the crank bearings).

**SERIAL NUMBER:**______________________________

The World Troller is a 26˝-wheeled mountain bike, but to leave it at that would not give it its due. The World Troller frame is built with all of the amenities you would expect from Surly. It has ample clearance for a 24/36/48t mountain triple and room for 26 x 2.75˝ tires. That’s right, you can even run our 26˝ Dirt Wizard/Rabbit Hole combo. The World Troller frame is suspension corrected for a 100mm travel fork and comes with a rigid, suspension-corrected 4130 CroMoly fork complete with removable canty pivots, disc mounts, low- and mid-blade and crown mounted rack bosses and fender eyelets. Run a rack, fender and disc brake caliper all at the same time, no lie! The World Troller frame features horizontal rear-loading dropouts with a derailleur hanger, disc caliper mounting slots, and rack and fender bosses. There’s a dedicated area for anchoring a Rohloff hub OEM2 axle plate, and we’ve included threaded M10 x 1mm holes for installing Surly trailer-mounting nuts or B.O.B. Nutz. The dropout design allows the simultaneous use of a rack, fender and disc brake. The options never stop. Plus, through the employ of S&S Bicycle Torque Couplers, you can break the frame in half and fit it in an airline approved case. This could potentially save you some hard earned cash you can then use for your vacation (check with your airline for specifics about this). S&S Couplers do require a certain amount of mechanical aptitude so be sure to visit sandsmachine.com. You’ve been warned. Use the World Troller as a mountain bike, cruiser, commuter or touring rig. Make it your go-to utility tractor. Try out different tires and handlebars. Add some racks, build it with gears, or strip it down to a singlespeed drivetrain, then, buy a one way ticket and ride your ass back home.

**WARNING:** Cycling can be dangerous. Bicycle products should be installed and serviced by a professional mechanic. Never modify your bicycle or accessories. Read and follow all product instructions and warnings including information on the manufacturer’s website. Inspect your bicycle before every ride. Always wear a helmet.

Additional Product and Safety Information can be found at the website: surlybikes.com/safety

**FRAME COMPATIBILITY:**

- **Tubing:** Surly 4130 CroMoly steel. TIG-welded. Main triangle double-butted
- **Rear dropouts:** Horizontal slotted with derailleur hanger, 135mm O.L.D. Features Rohloff torque arm slot and threaded eyelets for fenders, racks and Surly trailer mounts
- **Brake compatibility:** Disc and rim brake compatible. Disc mounts are 51mm IS Rim brake pivots are removable. Note: Rear disc brake is limited to 160mm maximum rotor diameter and requires the use of Surly caliper adapter (Included with frames and bikes)
- **Braze-ons:** Full-length Surly Trip Guide housing line guides for derailleurs and brakes; two sets of bottle cage mounts; removable post cantilever pivots; upper seatstay threaded barrels; mid- and low-blade fully threaded through-blade fork eyelets; threaded holes for racks, fenders and trailer mounting nuts; Rohloff OEM2 axle plate mounting slot
- **Seatpost diameter:** 27.2mm
- **Seatpost clamp diameter:** 30.0mm (Surly stainless included)
- **Headset/Steertube:** 1-1/8˝ threadless
- **Front derailleur clamp:** 28.6mm, top-pull or Shimano high direct mount (adaptor included)
- **Bottom bracket shell:** 73mm shell width, threaded standard English (1.37˝ x 24t)
- **Chainring clearance:** 24/36/48t
- **Tire clearance:** 26 x 2.75˝. Individual tire and rim combos affect tire clearance
- **Fork:** TIG-welded tapered & butted 4130 CroMoly, 100mm suspension corrected, tapered straight blade. Low- and mid-blade fully threaded through-blade rack eyelets; fender mount eyelets at dropout; 1-1/8˝ x 260mm threadless steer tube, 51mm disc mount (303mm max. rotor diameter), removable cantilever pivots, two sets of bottle mounts on each fork blade. Note: You can’t always mount bottles on the fork with every rack
- **Couplers:** S&S Machine, for more information and instructions see http://www.sandsmachine.com/

LIMITED WARRANTY:
This Surly product is warranted against defects in materials and workmanship for three years from the date of retail purchase of the product, subject to the limitations detailed below. Save your dated receipt for proof of purchase.

This warranty does NOT cover the following:

- Damage due to improper assembly or follow-up maintenance or lack of skill, competence or experience of the user or assembler
- Products that have been modified, neglected, used in competition or for commercial purposes, misused or abused, involved in accidents or anything other than normal use
- Installation of components, parts or accessories not originally intended for or compatible with Surly product as sold
- Damage or deterioration to the paint, surface finish, aesthetics or appearance of the product
- Normal wear and tear
- Labor required to remove and/or refit and re-adjust the product within the bicycle assembly

This limited warranty is expressly limited to the repair or replacement of a defective product, at the option of Surly and is the sole remedy of the warranty. This limited warranty applies only to the original purchaser of the Surly product and is not transferable. This warranty applies only to products purchased through an authorized dealer or distributor. In no event shall Surly be liable for any loss, inconvenience or damage, whether direct, incidental, consequential, or otherwise resulting from breach of any express or implied warranty or condition, of merchantability, fitness for a particular purpose, or otherwise with respect to our products except as set forth herein.

This limited warranty gives the consumer specific legal rights, and those rights and other rights may vary from place to place. This limited warranty does not affect your statutory rights.

TO THE EXTENT NOT PROHIBITED BY LAW, THESE WARRANTIES ARE EXCLUSIVE AND THERE ARE NO OTHER EXPRESS OR IMPLIED WARRANTIES OR CONDITIONS INCLUDING WARRANTIES OR CONDITIONS OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.
